Sponsor the Pennsylvania Greenways & Trails Summit

The biennial Pennsylvania Greenways and Trails Summit provides excellent exposure for your organization. Connect with Pennsylvania trail professionals by sponsoring.

This summit provides exceptional training and networking opportunities for those engaged in all aspects of trail and greenway work, including planning and economic development professionals; trail and conservation staff, board, and volunteers; park professionals; local, county, and state government officials; consultants and builders; and trail enthusiasts from across Pennsylvania and the Mid-Atlantic Region.

As a sponsor, you will have:

- Access to over 250 attendees over the course of 2.5 days
- The opportunity to mix and mingle with attendees at two networking receptions
- Exhibit table included at every sponsorship level
- Conference registration or registrations included (Bronze and above)
- And more!

“First time attendee you set a very high bar for the next one. Great location facilities and topics with knowledge presenters.”

This was an excellent opportunity to network with folks doing what our group is doing, as well as with the folks from the various agencies that can guide us and provide / help us get funding. This was our first time attending, and we will be back!

“It’s been a while since I’ve been in a meeting like this, but I am still so impressed by the state and national resource folks that were in attendance, all willing to engage and share; the quality of the presentations and handout materials; the vendors; the location; and of course, the food!”

Non-Profit Special for Exhibit Booth

Beginning August 10, 2023, exhibit tables for nonprofits not sponsoring the conference will go on sale for \$100/table. Tables reserved on a first come, first served basis pending availability.
