Registration now open at WeConservePA.org/Conference

PENNSYLVANIA LAND CONSERVATION CONFERENCE
April 26-28, 2023 | DoubleTree Hotel Reading
WeConservePA.org/conference

KEYNOTE | THURSDAY, APRIL 27

Dr. Michael Mann, *The New Climate War: The Fight to Take Back our Planet*

Dr. Michael E. Mann is Presidential Distinguished Professor in the Department of Earth and Environmental Science at the University of Pennsylvania, with a secondary appointment in the Annenberg School for Communication. He is director of the Penn Center for Science, Sustainability, and the Media (PCSSM). Dr. Mann received his undergraduate degrees in Physics and Applied Math from the University of California at Berkeley, an M.S. degree in Physics from Yale University, and a Ph.D. in Geology & Geophysics from Yale University. His research interests include the study of Earth's climate

system and the science, impacts and policy implications of human-caused climate change. Dr. Mann is author of more than 200 peer-reviewed and edited publications, numerous op-eds and commentaries, and five books including: *Dire Predictions: Understanding Climate Change*; *The Hockey Stick and the Climate Wars: Dispatches from the Front Lines*; *The Madhouse Effect: How Climate Change Denial is Threatening our Planet*, *Destroying Our Politics*, and *Driving Us Crazy*; *The Tantrum that Saved the World*; and *The New Climate War: The Fight to Take Back Our Planet*.
